

CS 242 Assignment 2.1 Manual Testing Plan  
Taccio Yamamoto  
Data Visualization Gross Value vs. Age graph

1. Check if the y-axis is 'Gross Value'
2. Check if the x-axis is 'Age'
3. Check if the title is 'Gross Value vs. Age'
4. Check if the graph contains blue bars representing the sum of the wealth and the graph is scaled in such a way that there is not a lot of blank space above the bars

1. Check if the green nodes contains a movie name and the gross value
2. Check if the yellow nodes contains an actor name and their age
3. Check if there is no edge between green and yellow nodes and there only exists an edge between two nodes if the actor has been in the movie.
